Summary

Software Testing enthusiast skilled in Manual Testing and QA Automation with knowledge of Selenium, Playwright Automation, SDLC, STLC, and bug tracking. Dedicated to delivering high-quality software through effective testing and continuous learning.

Skills

Software Testing: Manual Testing, QA Automation Testing, Functional Testing, Regression Testing, Smoke Testing, Sanity Testing, UI Testing, Black Box Testing

Test Management: Test Case Design, Test Scenario Creation, Bug Reporting, Defect Tracking

Automation Tools: Playwright Automation , Postman

Testing Concepts: SDLC, STLC, Defect Life Cycle

Tools: Jira, Git, GitHub, VS Code

Projects

E-commerce Website Testing — Manual Testing, QA Testing

- Performed Manual Testing on an E-commerce web application including Login, Signup, Cart, Search, Payment, and Order modules.
- Created and executed Test Cases, Test Scenarios, and Bug Reports for functional and UI testing.
- Conducted Smoke Testing, Regression Testing, Sanity Testing, and Cross-browser Testing to ensure application stability.
- Identified and reported defects using proper bug tracking techniques and verified fixes after development updates.
- Validated form inputs, navigation flow, product filtering, and checkout functionality for better user experience.

Online Banking System Testing — Manual Testing, QA Testing

- Tested Online Banking application modules such as Login, Fund Transfer, Account Summary, Transaction History, and Bill Payments.
- Prepared and executed detailed Test Cases and Test Scenarios for functional and usability testing.
- Performed Regression Testing, Smoke Testing, and Security-related validation for secure banking operations.
- Detected and documented bugs related to transaction processing, form validation, and user authentication.
- Verified responsiveness, navigation flow, and accurate transaction updates across different browsers and devices.

Certification & Internship

Manual Testing & javaScript Playwright Training - QSpiders

QA Automation Testing Training - Playwright Automation, Postman

Education

Bachelor of Computer Applications (BCA)

2025

Sangola College Sangola (punyashlok Ahilyadevi Holkar Solapur University)

CGPA: 7.38/10

Languages

English, Kannada, Hindi, Marathi
